This chart is guaranteed incomplete -- these are fewer than half of the known P/NW bands in Austin, 1978-83, and space limitations prevented us from listing all of the past members of some of these groups. Additions, corrections and revisions are welcome; write to us. Apologies in advance to anyone who was left out or misspelled... Please note that the arrows usually indicate chronological order, but not always. There are no arrows for Jon Dee Graham because he's all over this thing. Too damn complicated.

Special thanks to Mellissa Cobb, Mr. Rudy Hyde, Brian Curley, Will Sharp, Patrick S. Keel, Janice Hargis, Terri Lord, E.A. Srere, Mike Hall, Robert Draper, Margaret Moser, Mike Runnels, Davy Jones, Chris Wing, Jeff Tartakow, Karen Hurley, Louis Black, Karen Solnitner, and Guy Juke. Thanks also to Pete Frame (the Tombee of rock) for the idea, and to Anthony for the ruler.
